Clinical Solutions™ **PHA + AHA Resurfacer**
Dual Hydroxy Acids work together in this solution-specific booster!

**Use ONLY 2-3x per WEEK @ NIGHT! After cleansing, squeeze 5-8 drops into your hands & apply evenly to face & neck, avoiding eye area. Can be layered with HA+Ceramide Hydrator—apply Resurfacer FIRST. DO NOT USE with Retinol 0.5 or Clear Proof products containing salicylic acid or on the same day as other exfoliating products. *A slight sensation may be noticed when applied. *AHA may increase sun sensitivity.*

*Dramatically improve skin texture and pore appearance!
And the results get better over time.*

DIRECTIONS: Use the Set 2-3 x per week. Use Refine (best in shower with lots of water—think “polish” not scrub), follow with Pore Minimizer after skin has been dried. Then apply the rest of your skin care routine.

*Dramatically improve skin texture and pore appearance!
And the results get better over time.*

DIRECTIONS: Use the Set 2-3 x per week. Use Refine (best in shower with lots of water—think “polish” not scrub), follow with Pore Minimizer after skin has been dried. Then apply the rest of your skin care routine.

MKMen® Daily Facial Wash

With its just-right lather, this facial wash is tough on dirt and oil, but gentle on the skin! Washes away grit and grime, while it visibly reduces excess oil and helps prepare skin for shaving. Pores will feel deep-down clean and skin energized!

Apply to wet face and neck. Rinse thoroughly.

This long-wearing, velvety soft powder is the perfect match for any skin tone – from very fair to dark. It sets foundation for a sheer, invisible finish and has light-diffusing properties designed to help soften the appearance of imperfections for a skin-perfecting, weightless and natural look. The long-wearing formula keeps makeup looking fresh throughout the day, controlling unwanted shine while never looking chalky.
